ALL STAR BIG BAND
With
Rod Bloomfield

28th May 2011 7.00 pm till 11 pm

Get your friends together and enjoy the unbelievable talent of the “All Star’s”. The “All Star’s” perform classic “Swing Jazz” numbers that were made famous by legends such as Frank Sinatra and his “Rat Pack” pals, plus Louis Armstrong, Glenn Miller and many others

One of the many great things about the big band is that they don’t only cover the essential Swing classics, but newer songs that have been given a Jazz treatment by people like Michael Buble’. Then once you throw in a few songs with a great Latin beat, and a disco hit or 2, it’s a great line up to dance to or just enjoy the music.

“The sound created by a big band is amazing, and the songs are timeless”
