

## ATHENA OUZO

Rumour has it that original formula of Ouzo was gifted by the gods to the founders of Athens, in recognition of their devotion and loyalty. Our authentic Athens and Greek inspired spirit has been created using a similar recipe passed down through the generations. We use a unique blend of aromatic seeds, fruits and herbs to produce a style of Ouzo that will delight your palate.

### ALCOHOL

37%

### VOLUME

700ML - 61AT0700
