

## D'AQUINO FORTIFIED WINES

Fortified wines are the hidden gems in Australia. The extremely high quality of these wines are significant and they are unique to the world. These are wines to which extra manufactured alcohol has been added, most commonly brandy, enhancing the flavours and character. At D'Aquino's these were some of the first wines we produced in 1946 and we are proud to continue this tradition and heritage.

### D'AQUINO TAWNY FORTIFIED

17.5% R.S. 90 grams / litre
