

## TOWER GIN

The Tower of London was where prisoners of state were held in chains and the precious crown jewels and secrets of the King were kept. Secrets like the recipe of our award winning gin. Handcrafted from a unique blend of botanicals, we have produced the ultimate gin with a rich but very balanced taste. Tower Gin will bring a whole new level of contemporary elegance to your next Gin and Tonic.

### ALCOHOL

37%

### VOLUME

700ML - 61DTG700

1000ML - 61DTGILT

### COLOUR

Crystal clear

### AROMA

Rich fresh aromas of juniper with a rounded coriander smell.

### PALATE

Extremely smooth with a great depth of flavour. It has a wonderfully fresh juniper and lemony bite and a gentle earthy taste, with zesty citrus, nutty oils and spices.
