

MARLBOROUGH AND SAUVIGNON BLANC A match made in heaven

It is no surprise that Marlborough Sauvignon Blanc is the number one category in Australia. People love this wine and for just reasons.

We are proud to have three wines in our portfolio which will generate plenty of excitement for your customers and great returns for you!

These are not just more “bland brands” common in this competitive category, but wines of extreme quality and value.

We are proud to offer our very successful “Cleanskin” brand, offering even great returns.
