

BRANDY

Skill, passion and respect are at the heart of the D'Aquino Groups spirits operation. It starts with a diverse variety of natural ingredients and continues with the equipment used to grind, mix, ferment, and distil these ingredients - from stills and steel tanks through to small and large oak barrels. Distilling is part science and part art and it is only with a combination of the two that our award winning spirits can be produced.

D'Aquino Brandy

700ML CODE: 61DBL700
